WASHINGTON, D.C. 20505

Your letter of 10 February found its way through the structure and ended up on my desk. We do not have on hand or in production atlases for any part of Southeast Asia other than the Indochina Atlas which you have. We do have the enclosed, recently published atlas of the People's Republic of China which has been receiving a bit of publicity. The Southeast Asia summary maps enclosed may also be of some interest to you.

Let's get together on your next trip to Washington.

Sincerely yours,

/s/ Jack
